**University of Rajasthan
Jaipur**

Minutes of the meeting of BOS in STATISTICS held on 2.3.2018 at 2.00pm in the Vice Chancellor Secretariat, University Campus, University of Rajasthan, Jaipur.

Following members were present in the meeting.

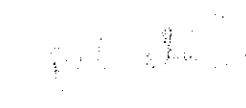

- | | |
|-------------------------|--------------------|
| 1. Dr. Jayant Singh | (Convenor) |
| 2. Dr. Pankaj Nagar | Member |
| 3. Dr. S.K. Gupta | Member |
| 4. Prof. P.C. Gupta | (External Members) |
| 5. Prof. Jagdish Prasad | (External Members) |

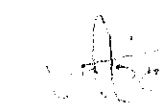

The Convenor BOS, Dr. Jayant Singh, welcomed all the members of BOS. The Board recommends the following:

1. The Board reviewed the Syllabus of UG and PG Courses. The members suggested no change in the syllabus of BA/B.Sc(Pass) Part-I, II & III for the Exam-2020. The members of BOS unanimously agreed to make some minor changes in the Paper MST-B01 (Demography) of MA/MSc/II- Semester for Exam-2020. The changes in this paper are enclosed (Annexure-I). The rest of the syllabus of MA/MSc. Semester I/II and Semester III/IV will remain unchanged for the Exam-2020.
2. In the last meeting of BOS (held on 30.6.2018), all the members were unanimously agreed upon that some seats should be fixed for admission in B.Sc. Part-I with STATISTICS as one of the optional subject in University Maharani College. In fact, there is only one section of BSc. Part-I (Maths group) in Univ. Maharani College, which is almost filled by the subject combination Physics, Chemistry and Mathematics (PCM). Therefore, very less number of students (less than 6 in the last 4 years) got admission in BSc. Part-I(Maths Group) with Statistics as one of the optional subject. In this regard, a committee of faculty members (namely, Prof. Amita Sharma, Dr. Pankaj Nagar & Dr. Jayant Singh) was constituted by BOS members to suggest the means to improve the admissions in Statistics and submit the report. So, committee has prepared a report in this regard (copy enclosed). The report was thoroughly discussed by the members and realised that there is a need to fix the number of seats for Statistics subject for admission in B.Sc. part -Ist in University Maharani college. Earlier, some seats were also fixed by the Hon'ble Vice Chancellor for minor subjects in Maharani College. It is, therefore, committee has a firm opinion to fix some seats in B.Sc. Part-I for Statistics subject treating as a minor subject. Committee has also authorised to the convenor BOS to take initiative and submit the factual position and opinion of Board of Studies in front of Hon'ble Vice chancellor and obtained the approval of the same.
3. Statistical Tools are applicable in all types of research and also included in advanced courses of all subjects. Whether it is Physical Science, Applied Science, Social Science, Commerce Management or any other discipline, no research work without statistical tool is possible. But, due to lack of Proper Training or limitations of various courses, students/research scholars or government officers are not able to apply Statistical Tools in a proper manner. The members of BOS, therefore, realised that Department of Statistics should start a One Year Post Graduate Diploma Course in Statistical Application (PGDSA) so that a candidate, who wants to use Statistics in his/her research work, may be obtained proper training for the same. So, member of BOS is of the opinion that after approval of one year postgraduate diploma from the academic bodies, the syllabus and mode of examination should be prepared in the subsequent meeting of the BOS, so that it may be started from the session July -2019.

Meeting ended with a vote of thanks to the chair.
