Subject: Information and support for students from science background from Government Colleges to work at Institute of Eminence under KARYA program of Department of Science & Technology, Government of Rajasthan

I am glad to inform you that KARYA (Knowledge Augmentation through Research in Young Aspirants) program of Department of Science & Technology, Government of Rajasthan has received a good response from Students of Govt. Universities and Govt. Colleges, DST has achieved success due to support received from Higher Education Department and Commissioner College Education.

This program was initiated keeping in view of providing opportunities at institutes of repute (DAE, DBT, CSIR, DST GoI, IITs and others) for Basic Science under Graduate and Post Graduate students studying in Government Colleges and State Government Universities, for working on short term research problems for eight weeks. The selected students were also provided fellowship by DST GoR. I am thankful to you and College Education Department, for supporting this initiative of DST GoR, and for giving directions to colleges for participation. The key for selection under this scheme beside academics is the write-up on short term research proposal.

I request you to instruct website officer of College Education to upload the advertisement and application, eligibility criteria (copy encl.) so that it may be circulated among students by the principals of Government Colleges.

Your cooperation will be of great help for deserving students of Rajasthan State for availing the opportunity to work on short term projects at Institutes of Eminence. At DST Rajasthan, Dr. Arvind Samariya, Assistant Director (karya.dstrajasthan2023@gmail.com, 9413236677) is looking after the execution of the KARYA program.

I look forward for an early and positive reply.

Enclosed: As Above.

KARYA

(Knowledge Augmentation through Research in Young Aspirants)

Last Date of Application: 31/01/2025

Introduction

Globally advancement in Basic Sciences are happening at a very fast pace, and new areas are also emerging like Nanotechnology, Biotechnology, Computational Science, Mathematical Modeling, Cognitive Science etc. To provide exposure to these advance areas in Basic Sciences and to work on new problems with the help of latest instruments and expertise available at Institutes of Eminence, a new program “**Knowledge Augmentation through Research in Young Aspirants (KARYA)**” has been initiated by Department of Science & Technology, Government of Rajasthan.

Under **KARYA** program students from Basic Sciences (Physics, Chemistry, Mathematics, Life Sciences) studying in **State Government Institutions only** (State Government Universities, Government Colleges) will be provided an opportunity to work on short-term projects at Institutes of Eminence (DAE's, DBT's, IIT's, CSIR's, DST's, ICAR's, ICMR's and others) for eight weeks during summer vacations. The selected students will be provided fellowship for meeting out expenses during eight weekend T.A. (to and fro).

Eligibility criteria

Student applicants from **State Government Institutions only** (State Govt. Universities, State Govt. Colleges) should be studying in one of the following:

- BS / BSc (II and III years only)
- MS / MSc (I year only)
- (5-year integrated) MS / MSc (II, III, IV years only)
- (dual degree) BS + MS (II, III, IV years only)

Selection Criterion

- Academic Record
- Plan of Work
- Availability of position (seat) at Institute

Selection Procedure

Complete application with all desired documents, annexures has to be submitted before last date through offline mode. After receiving the complete application, a technical committee will evaluate the application as per the selection criterion.

Last Date of Application: 31/01/2025

Allocation of Institute

Technical Committee Experts recommendation as per the plan of work submitted by applicant will be the basis of allocation as per the availability of the positions (seat) at respective Institutes of Eminence. Once the institute is allocated, **no request will be considered for change of institution.**

Selected student has to follow allocated institutions rules, guidelines and discipline. Any kind of violation of rules will provide the rights for immediate withdrawal of the KARYA program opportunity.

Duration of work

- Eight Weeks during May-June 2025

Release of fellowship

After receiving report (at DST Rajasthan) of first four week verified by the supervisor/guide from the Institute of Eminence, first installment of fellowship will be released to Student Account. After completion of fellowship period successfully and submission of final report verified by supervisor/guide, TA and second installment will be released to Student Account and a certificate from DST Rajasthan will also be issued to the Student.

If any student leaves this KARYA program in between the duration of eight week period without the consent of supervisor/guide and DST Rajasthan, he/she will not be entitled for fellowship and fellowship will not be released.
