Advertisement for the post of Junior Research Fellow (JRF)

Applications are invited from motivated and qualified Indian nationals for the post of Junior Research Fellow(JRF) to work in a DST-SERB funded research project SERB/EEQ/2021/000965 with the following details:

Title of the project: “Exploring connection between Flavour Physics and Dark matter”.

Duration: Three years or up to the termination of project.

Essential qualifications: M.Sc. in Physics with at least 60% marks or 6.5 CGPA out of 10. NET/GATE/JEST qualified candidates will be given preference.

Desirable: Candidates with exposure of Particle Physics and Quantum field theory and also proficient in programming skills as C/C++/Python/MATHEMATICA.

Emolument: For NET/GATE/JEST qualified candidates (Rs. 31,000/- + 16% HRA) per month for first two years and (Rs. 35,000/- + 16% HRA) per month for last year. For others as per SERB norms.

Age: Not more than 30 years.

How to apply: Interested candidates having necessary qualification can send a detailed CV alongwith the documents by email to dineshsuman09@gmail.com with the subject line “**Application for JRF DK_FPDM_2022**”. Please note that your CV include contact details(address, mobile number, email ID), date of birth, and qualifications. Incomplete applications will be rejected. **Last date for submission of application is June 05, 2022.** Only shortlisted candidates will be intimated by email for interview.

Important Instructions:

- The position is purely temporary in nature and it is co-terminus with the project.
- The candidate can be terminated at any time if he/she doesn't show the satisfactory performance in the project.
- All original documents would be required to produce for verification purpose at the time of interview.
- No TA/DA will be paid for appearing in the interview.
- All the terms & conditions for this recruitment will be as per the guidelines of SERB, DST, Govt. Of India.
- Relaxation for SC/ST/OBC/ Woman/PWD candidates as per Govt. Of India norms.
