Sub: Job and Education opportunities in Maritime Sector in India – Reg.

कार्यालय
अतिरिक्त मुख्य सचिव
उच्च एवं तकनीकी शिक्षा विभाग
डायरी संख्या 6822
दिनांक 26/12/25

Dear Madam/Sir,

Efforts are being taken by the Government of India for the Maritime Sector as it is an important sector with high growth potential economy within the next few years. The key initiatives of the Ministry of Ports, Shipping, and Waterways, viz. Sagarmala, MIV 2030 and MAKV 2047 envisage generation of jobs in shipping & ports for Indian youth. MIV 2030 specifically aims to achieve a share of 20% Indian seafarers in the global market. Aligning with MAKV-2047, India's maritime sector is projected to secure approximately ₹8 Trillion in investments and generate around 15 million jobs by 2047.

The Green Tug Transition Programme, Harit Nauka Green Transition Programme for Inland Vessels, Development of Green Hydrogen Hubs in Major Ports, Cruise Bharat Mission, Maritime Development Fund, River Cruise Policy, Lighthouse Tourism Initiatives, MIV 2030 and MAKV 2047 are policy initiatives which will usher in fast-paced and sustainable growth and consequent job creation in diverse sectors of maritime industry. The details of the initiatives are available in www.shipmin.gov.in website.

The renewed thrust of the Government being given to make India regain the top position in Ship Building, Ship Repair and Ship Recycling is likely to create unprecedented demand of skilled workforce in these sectors.

The IMU, a Central University, established by an Act of Parliament in 2008, focuses on imparting education in aspects related to Maritime Sector – Marine Engineering, Nautical Sciences, Naval Architecture, Ocean Engineering, Ship Building and Repair, Logistics Management, Port Management etc.

Thanks to the outreach efforts, we have witnessed an increase in registration from 1023 in 2023, 1607 in AY 2024 and 2098 in AY 2025 for the State of Rajasthan.

May I request you to kindly share the information, along with annexures, with the schools and encourage the students to join Maritime Programmes at IMU and participate in the 'Growth Story of India'?

Pamphlets on education opportunities at the Indian Maritime University are placed in Annexures I & II.

Thanking you,

Vice Chancellor
