1. Dept. Profile

The Centre for Jain Studies, established in 1975, on the auspicious occasion of Lord MAHAVEER'S 2500th Nirvan celebrations.

This centre was established to promote research work in Jainism. The aim of the centre was to reclaim lost texts and study the manuscripts to know about the art and culture of those times.

It has missionary zeal to sponsor and promote research in Jain Studies along with other aspects of comparative Religions and Culture. The Centre is located at Humanities Block, University of Rajasthan Campus, Jaipur.

At the time of establishment of the Centre the University had taken a decision that Jainology be treated more as an area of research and the main purpose for establishing the centre should be to encourage the study of Jain religion, Philosophy, arts, literature and ethics in the University.
